What is our Value this month?

Cooperation

Definition

- Cooperation means...

...the action or process of working **together** to the same goal.

Cooperation and teamwork

- Our value this month is cooperation.
- Today we are going to look at how important cooperation and teamwork is.

Cooperation and teamwork

Cooperation and teamwork

- What did the two children do that was better than before?
- Spoke to each other
- Communicated – spoke and listened to each other
- Helped each other
- Supported each other
