Values

Welcome to our first Values Assembly of the year!

Each Monday, we have a Values Assembly where we will learn about key values that will guide our behaviour

Why are rules important?

Safety

Prevent crime

Health

Rules – Where and why

The rules in your family, school rules and the laws of the land.....

Some rules may annoy you...

Some rules seem unfair...

But think how most of the rules in our lives protect us and help us to live together.

School rules

Do my best at all times and recognise my own successes.

Respect and listen to others.

Be kind, helpful and gentle to one another.

Look after the school environment.

Keep myself and others safe.

Speak to someone at school if I have any worries

Help my parents to make sure I come to school every day and get here on time, ready to learn.

Wear my uniform correctly and remember my PE kit.

Welcome to our 'Values' assembly

*A value is a principle
that guides our
thinking and
behaviour*

Every month there is a Values Champion award.
There should be slips in your classroom.

Who can tell what happens with these slips?

Can you guess what this month's value is from this short film?

In September we will be exploring the value of...

Perseverance

Thinking time: What is perseverance?
Can we come up with a definition?

PERSEVERANCE

**Perseverance is not giving up –
you should try, try and try again.**

**It is having a go and keeping a
positive attitude.**

"Just keep
swimming"
- Dory from
Finding Nemo

PERSEVERANCE

Who can tell who this and what he represents?

PERSEVERANCE

Yeti represents the Growth Mindset

What does Yeti say?

I can't do it
yet

The Learning Pit

Good learners go into the PIT!

**When will you
need to show
perseverance this
year?**

**What can you do
to help yourself
when things get
tough?**

HENRY FORD'S

early businesses failed
and left him broke five
times before he founded
the successful Ford
Motor Company.
