what's
working well

what's not
going so well

priorities &
actions
for the next fortnight

Our first meeting will be this week

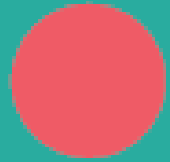

How can we have great play everyday?

- Be responsible for your own actions and encourage positive play.
- Be safe — follow the rules for different areas
- Be respectful — look after the resources.
- Collect resources from home — Opal bingo
- Embrace Opal play and suggest improvements

Play Charter

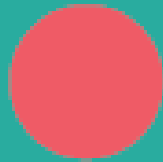

We are ready, respectful and safe

We share and look after equipment

We are kind and invite others to join in
our play

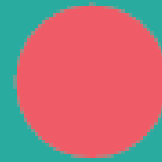

We are aware of our surroundings

We all help tidy up and take
responsibility of our play environment

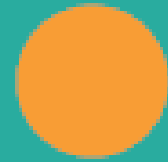

Play Charter

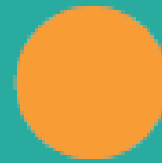

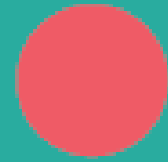

We listen and value the ideas of others

We play safely, think about and
manage risks.

We move sensibly around our
outside space.

We treat everyone how we like to be treated

We follow instructions and respect the play
team

Inform

You need to bring in wellies and waterproofs as we head into Autumn. To Limit the amount of mud in school during lunchtime hours the only doors pupils can access through are Y1 & Y3 – they should only access for the toilet. NO Wellies are allowed into school – all wellies must be put on and taken off OUTSIDE next to the year groups welly sheds. Pupils names should be on the soles of the wellies and they should be stored upside down to deter unwanted pests inside of them. Stored in your welly shed. A spare pair of clothes in school incase you get wet too which can be kept on your peg.

If it rains heavily there will be no cardboard, no teddies and no dress up.

Inform

Sports — will not just be football. Football is not to be played anywhere except on the MUGA during the time allotted.

Balls put out are to be used for throwing, catching & games.

How do you want to tidy up?

What does tidy look like?

Negotiate

How can I make sure I am being safe between playgrounds?

How do I access equipment?

What if I can't play with what I want to?

Can I go from area to area?

What do I do if an item breaks?

Where should I line up?

Negotiate

Small world play & Lego / craft area

Be creative — build new structures
Set up a zoo / vets surgery / dinosaur
world
Cook up a dinner in the kitchen
Return items to the correct tray

No taking items to another area
No throwing

Negotiate

Mud cafe

Have fun, create new things
Use water that is put out — share —
don't be greedy as it will run out
Use the sand
Stack resources away neatly

Throw sand
Dig the ground for mud
Wet anyone with water
Throw resources
Touch anything growing
- mushrooms

Negotiate Woodland

Relax

Be creative

Build a den

Investigate habitats

1 person in a hammock/swing at a time

Push anyone in a hammock or swing

Poke sticks at anyone

Throw mud / sticks etc

Push anyone on a swing or hammock

Move the path of logs

Eat or touch and berries

Terms we use in OPAL

If it's bigger than you, it takes two

Is it safe enough?

Look before you lift.

Feet first, not head first.

Carry long things low.

Be aware of your space

Check it before you use it.

Challenge yourself, not someone else.

Risky is OK, dangerous is not. If you build it, you help tidy it.

Innovate

What is risky play?

How do I keep myself
safe?
