Dear Year 3 Parents and Carers,

5th October 2026

Having had an extortionate quote for the usual Stone Age trip to Cannock Chase, we are delighted to announce that Year 3 will instead be taking part in a special Stone Age Day at school on Friday 20th November. To bring our history learning to life, we have arranged for a specialist company, Portals to the Past, to visit school and deliver exciting, interactive workshops throughout the day. The children will have the opportunity to explore what life was like during the Stone Age through hands-on activities and immersive experiences.

The cost of the workshop is £8.55 per child. Please note that any unpaid spaces to cover the cost of the workshop will be offered to children in Year 4. Please give your consent and make payment through your school money account. Spaces will be reserved for Year 3 pupils until Monday 2nd November. After this date, we will open any remaining spaces to Year 4 children.

Payment is to be made online via the 'SchoolMoney' Account (www.eduspot.co.uk) or using the SchoolMoney App. If using the website, click on the sign in button in the top right hand corner. In the drop down select SchoolMoney parent login option.

Deadline for payment is **Friday 30th October.**

To make the experience even more memorable, we would like all children to come to school dressed as a person from the Stone Age period. We cannot wait to see everyone's fantastic costumes, and the staff will be joining in the fun too!

Thank you for your continued support. We are looking forward to an exciting and memorable day of learning.

Yours sincerely,

Mr C Weaver
Assistant Headteacher
